

Colonial School

Summer Extended Day Program 2023

Please check the program option for which you would like to enroll. If using multiple extended day options throughout the summer, please indicate dates needed for each extended day schedule chosen.

Space is limited and filled on a first come first served basis.

Prepaid Extended Day will continue to be billed monthly according to your child’s schedule AND the amount of weeks in each month; June (4), July (4) and August (4).

Families choosing the hourly rate will be billed the following month for their use of the program.

Please call the school for availability of part time camp programming. Extended day hours will depend on the number of families requiring before and after care. If there is not enough interest, we may need to adjust and/or cancel extended day specifically for the first 9 weeks of summer camp.

***** School is closed the weeks of May 29th and August 28th**

Summer Extended Day Reminders

Packed Lunch

In order to remain in compliance with state regulations, we are required to inspect all lunches to ensure that they meet nutritional and safety guidelines. When an item is missing or not prepared safely, Colonial School must supplement the child's lunch with the missing item or correct the safety issue. Although we are happy to supplement an item occasionally, we ask that you are responsible in adhering to the guidelines.

Families who are consistently missing items or violating safety guidelines, may be asked to pay a supplement charge to cover the cost.

State guidelines require all lunches to include the following:

1 serving of fluid milk (we can supply milk)	1 serving of meat/meat alternative
1 serving of bread/grains	1 serving each of a fruit and vegetables OR 2 servings of vegetables

When packing your child's lunch, please remember to include the following:

Utensils (spoon, fork etc.)	Ice pack
Napkin	Cup or straw if needed

A few safety guidelines to follow include:

Avoid common foods that can easily choke a child (hot dogs, popcorn, sticky foods, hard candy)

Avoid sharp utensils that can easily injure a child (toothpicks, knives etc.)

Prepare foods in small bites (cut grapes in half, cut raw vegetables)

Drop off & Pick up

Summer Extended Day will open at 6:30am and close at 1:00 from June 5th to August 4th. Starting the week of August 7th, Summer Extended Day will be open from 6:30 – 5:30, Monday through Friday. School will be closed the week of August 28th. **When dropping off your child, please always make sure a teacher is present before leaving your child. Do not allow a child to walk into the building unescorted. It is your responsibility that a teacher is aware that your child arrived.** The release of a child from the school to any person other than the parent will not be permitted without written approval. Anyone picking up a child must be 18 years or older.

Your promptness will be appreciated when picking up or dropping off your child.
